

Job Post: 1 Math & Science High School Teacher(s)

Job Location: Qingdao AIDI International School, Qingdao City of Shandong Province, China

Shandong is a coastal province of China. It has played a major role in Chinese history from the very beginning of Chinese civilization. It is located along the lower reaches of the Yellow River, and served as a pivotal cultural and religious site for Taoism, Chinese Buddhism, and Confucianism. Shandong also is one of the wealthiest provinces in China.

Qingdao is a city in eastern Shandong Province, and also is well known as one of the most livable cities in all of China with a charming seascape, pleasant weather, and rich delicacies. Qingdao AIDI International School has a high-quality team of professional foreign teachers who teach in English, but it is not a so-called bilingual school. The Head of the foreign teachers of the school is authorized to issue admission letters in the name of its American partner school, and the signed final transcript of the program for students is recognized by 127 private schools in the eastern New England region.

The role of the Math & Science Teacher, grade 10, is to teach, design and implement a program for instruction and assess achievement. Ability to teach a range of classes, including Algebra 1-Pre-Calculus and Biology-Physics is a plus. Reports to the Principal. This is a full-time 12-month position, beginning in September 2019.

Responsibilities include, but are not limited to:

- Teach, guide, and inspire students in general studies subject areas including Math and Science
- Establish methods of instruction, develop and execute unit lessons, create interdisciplinary lessons, meet needs of individual learners through differentiation
- Incorporate curriculum standards into well-planned and successfully executed unit lessons
- Assess achievement. Communicate expectations, utilize various assessment techniques, and monitor student progress
- Create narrative and objective progress reports four times a year and host parent-teacher conferences two times a year
- Maintain communication with parents through WeChat and instructional team members
- Participate in professional development, in-service meetings, and professional growth opportunities

Salary and Benefits:

- Competitive Compensation, 40-hour work week, Round Trip Air Fare, Housing, International Health Benefits and VISA Fees/Processing/Services

Qualifications:

- ❖ Bachelor's degree; Master's degree preferred
- ❖ High School-level teaching experience

Submit: Cover letter, resume and 3 references
